## Author/Dedication

### Abiyah Bin Yah

This book is dedicated to the Mighty Yah אַיָּאָל who has given me vision, patience, and understanding to his divine words. For giving me the strength as well as the resources to complete not one but three publications pertaining to his people, that they may know who they are and where they need to be to govern themselves by his holy Law. Also to my three daughters, Paula, Adaiyah and Yashayah that they may know that they have a history and to always remember who they are and where they came from as it may guide them through their future.

## PREFACE

In constructing this work for the reader, we here at Yahudahs Press are very aware of the scarce knowledge upon the true biblical Israelites. There is in fact a limited growth of knowledge upon biblical aspects as well as History and Languages. As this Publication being one of many, we chose to retain the English renditions of the Hebraic people of the bible while using the standard King James Version of the bible in this work. We are aware that there are those who are learned in the Modern, biblical and well as the Original Hebrew Language. But there are many more of African American Descent who are not. Seeing that we do not want their first understanding of the true biblical Israelites be hard to comprehend, we wish to familiarize the people in with most are comfortable in reading and understanding, in which is the English Language.

We hope that those who are not learned in the Ancient Language would appreciate and consider this short publication and understand how vital it is to study further, and learn the ancient languages in which would give a better understanding of the bible. Without dictionaries and Language study aids, the reader is really at a disadvantage, in which a lot of knowledge and understanding would be lost. Many of us of African American descent are not even aware of the study aids that are available to help the biblical student into becoming an prominent scholar. Books

have been hidden and put into the out of print sections, making it hard to retrieve proper information. We here at Yahudahs Press pride ourselves in producing the proper material in Language study aids to further the education in the black community. Bringing back rare and out of print hard to find publications. As well as bringing out the best of Israelite Scholars to get their knowledge and wisdom to the black communities.

## Note to the reader

About the books previous title: Israel; A Nation in captivity. Usually as modern historians and those of scholastic interest, when speaking of the atrocity that over took millions of black people, is usually referred to as slavery. Slavery is a custom that originated thousands of Years ago, in fact according to history and even the bible, as well as other religious books all speak of slavery. But the concept of slavery written in many historical records as well in the bible is described differently than what the black man and black woman faced during the Atlantic slave trade.

**SLAVE:** A slave is someone who is bound to a person or household as to perform labor. According to historical records as well as biblical documents, slaves were paid for their work and were even treated as well as the master and his family. Slavery in the old world would have the same title as we may call today in our society as an employee and the Master would be the employer.

**CAPTIVE:** One who is a prisoner, who is forcibly confined, restrained, or subjugated. One who is under restraint or control by another person or nation with no rights. In due process the captive can lose all ties to his language, culture and history.

YOU DECIDE, were/are we slaves or captives?

## INTRODUCTON

### Shalom and praise the mighty Yah!

Fellow brothers and sisters, a great deception has taken place. This deception, which is not perceived by the human eye, has caused great confusion and uncertainty to the truths that has been written within the *Law* and the *Prophets*, or better known to many as the Holy Scriptures, which is referred to by Christianity as the Old Testament. The scholastic and religious leaders in our society have foretold prophecies and future events, but to no avail all have failed. There have been television programs, especially those of religious interest, in which millions of people are deceived everyday due to a certain truth which is written all over the Holy Scriptures. But to no avail, the scholastic and religious leaders in our society fail to teach or speak upon this truth. This truth, in which concerns the identity of the Nation of Israel.

The Nation of Israel, written and spoken of, by all of the Prophets and even the Apostles of the New Testament and Jesus himself spoke their messages pertaining to this nation that Yahweh has chosen as his firstborn above all other nations, as it was written for our understanding in Exodus 4:22, KJV:

“And thou shalt say unto Pharaoh, Thus saith the Lord, Israel is my son, even my firstborn”

I, Abiyah Bin Yah, along with other Israelites, men and women in this country, have taken it into our own hands to deliver the message of the true identity of the Nation of Israel. Also in these last days, our father and creator Yahweh has awakened the many, inside the Nation of Israel to proclaim not only the truth concerning the identity of Israel but in the same sense the true message which is brought forth through the Holy Scriptures in which was intended for the sole purpose of his people.

### **Israel's identity, does it matter?**

The above question has been raised and has been eluded to be such as a mockery by those of the Christian faith and by those of Islam. When presented with evidence from the Torah (Old Testament) many also turn and say that Israel is a forgotten people and no matter how much you can show the link between the Atlantic slave trade to that of the people of Israel, what does it matter? Well first and foremost it matters to the creator of the heavens and the earth, and the sea and all that there in is.

...Jacob my servant; and Israel whom I  
have chosen . *(Isaiah 44:1)*

“Remember these, O Jacob and Israel; for  
thou art my servant: I have formed thee;  
thou art my servant: O Israel thou shalt not  
be forgotten of me”.

*(Isaiah 44:21)*

The identity of Israel is important also based on other scripture such as in Jeremiah.

“Thus says Yahweh, which giveth the sun for a light by day, and the ordinances of the moon and of the stars for a light by night, which divideth the sea when the waves thereof roar; Yahweh of hosts is his name:

If those ordinances depart from before me, saith Yahweh then the seed of Israel also shall cease from being a nation before me forever.

*(Jeremiah 31:35-36)*

Seeing that the Sun and the moon are still governed by their ordinances, we can say that Israel has not and will not be forgotten by our creator as his people. So yes it matters to the mighty Yah. Israel's identity also matters to her enemies. Read what is written in Pslams 83:

Keep not thou silence, O Yah: hold not thy peace, and be not still, O Yah.

For, lo, thine enemies make a tumult: and they that hate thee have lifted up the head.

They have taken crafty counsel against thy people, and consulted against thy hidden ones.

THEY HAVE SAID, COME, AND LET US CUT THEM OFF FROM BEING A NATION; THAT THE NAME OF ISRAEL MAY BE NO MORE IN REMEMBRANCE.

For they have consulted together with one consent: they are confederate against thee.

*(Psalms 83:1-5)*

It also matters to true Israel for this is the purpose of this book.

My people (*Israel*) are destroyed for a lack of knowledge: because thou hast rejected knowledge I will also reject thee, that thou shalt be no priest to me: seeing that thou has forgotten the LAW of Yahweh, I will also forget thy children.

*(Hosea 4:6)*

Israel's identity also Matters to all the families of the earth. Israel's identity is so important to the other nations of the world because Abraham's Israelite descendants are to be a blessing to the rest of the world:

Yahweh ... said unto Abram, ... I will bless thee, and make thy name great; and thou shalt be a blessing: And I will bless them that bless thee, and curse him that curseth

thee: and in thee shall all families of the earth be blessed.

(Genesis 12:1-3)

...in thy [Abraham's] seed shall all the nations of the earth be blessed; because thou hast obeyed my voice.

(Genesis 22:18)

...thy [Jacob/Israel's] seed shall be as the dust of the earth, and thou shalt spread abroad to the west, and to the east, and to the north, and to the south: and in thee and in thy seed shall all the families of the earth be blessed.

(Genesis 28:14)

Brother Ariyyah Mashiyach in his book "*Yahweh's covenant with the children of Israel is forever*" clearly points out why the identity of the nation of Israel should be researched out by every descendant of slavery he concludes:

"Israel has been robbed of their heritage, and delivered into the hands of their enemies. Our oppressors (Gentiles) have set up an economic and academic system that encourages failure within the black communities. We are taught the only way to succeed is by learning Americanized history, an education that teaches nothing about the black mans culture. We are deceived into believing that college is the way, only to be manipulated by financial

hardships by the jews who uses the Euro-Gentile man as a front. Instead of earning a college degree, most blacks earn nothing but great debt. Being manipulated into believing that we are supported by our country and in the end realizing that we have been set up to fail.

## What does the New Testament teach concerning Israel?

According to Paul in the NT, he had this to say concerning about the Nation of Israel in the book of Romans 9:4, KJV:

“Who are Israelites; to whom pertain the adoption and the glory, and the covenants, and the giving of the law, and the service of Yahweh and the promises.”

With the understanding of the above text, could this possibly be the main focus of those who are in opposition against the Nation of Israel, to purposely cause all mankind to forget and not teach the biblical truths concerning Yahweh’s people? Why is the message in today’s churches and synagogues is that the Nation of Israel has been rejected? Which arises another question “Who are the children of Israel spoken of in the bible?” Is there any scriptural evidence located in the Holy Scriptures that will identify this great nation? The truth of the matter is
